3 Day 2 Night Pulau Tiga Survivor Experience

Day 1 ARRIVE KUALA PENYU JETTY - PULAU TIGA

(L, D)

You will be welcomed by a representative of **Clasic Tours Sdn Bhd** at Kuala Penyu Jetty before being transferred to Pulau Tiga by boat. Check in and welcome drinks will be served upon arrival. After lunch, free at own leisure for the rest of the day.

Day 2 PULAU TIGA

(B, L, D)

After breakfast, we will proceed with an escorted trip to Mud Volcano. Be fascinated by the volcano which is now largely dormant and every few hours, gloop spatter cold mud over the surrounding vegetation. For those who believe that a soak in the pool of volcanic mud will cleanse and beautify your skin and make you look younger, feel free to judge this claim by submerging yourself inside the "mud volcano". We will return to the resort for lunch before heading out again for an escorted trip to Snake Island. The island, is famous for the different type of snakes found on the island. Be careful while walking or sitting on the island because the snake may pay you a surprise visit.

Day 3 DEPART PULAU TIGA

(B)

After breakfast, free at own leisure where you can relax on the beach or go for a swim. Later, you will be transferred back to Kuala Penyu Jetty by boat.
